Certificate Number: **p-12198026**

Date of Certification: **18 November 2019**

Profile Published: **February 2017**

Recertification due: **17 November 2020**

Assessor: **Ben Franklin**

### Business Scope

This certification covers the IT Infrastructure used by The Spencer Group including Servers, Workstations, network equipment (Including hardware and software Firewalls) and the software used at our head offices at One Humber Quays Hull and our temporary sites.

Certification Body

Bluescreen IT Ltd

Accreditation Body

This Certificate certifies that the organisation named was assessed as meeting the Cyber Essentials implementation profile published in February 2017 and thus that, at the time of testing, the organisation's ICT defences were assessed as satisfactory against commodity based cyber attack. However, this Certificate does not in any way guarantee that the organisation's defences will remain satisfactory against cyber attack.
